7. Dual Coverage

- My spouse/domestic partner is an LACCD employee/retiree. His/her employee number is: _____
- My spouse/domestic partner works for (or retired from) an agency that has group health insurance administered by CalPERS⁶.
- My spouse/domestic partner does not have health benefits administered by CalPERS; neither as an active employee nor as a retired employee.

NOTE: If CalPERS rejects your enrollment through LACCD due to dual enrollment (CalPERS administered benefits sponsored by another agency) you will not be added to health benefits until the dual coverage issue is corrected.

⁶ An employee may be enrolled as an enrolled CalPERS primary insurance carrier or as a dependent of another CalPERS enrollee or retiree, but not both. An individual may be included as a dependent under the enrollment of only one employee or retiree.

8. Flexible Spending Account – Part time Faculty NOT ELIGIBLE

LACCD partners with Automatic Data Processing (ADP) to provide pre-tax Flexible Spending Account Services for our employees. The benefit of our pre-tax plan is that it subtracts expenses prior to tax eligibility thereby lowering your tax obligations. However, you *must plan your deduction expenses accordingly* because you will not be reimbursed for unused funds at the end of the year. Please visit ADP's website (www.spendingaccounts.info) to find out more about the plan and about eligible expenses.

NOTE: There is a calendar year maximum amount that can be contributed to each plan. The maximum dependent care contribution is 5,000.00 and the maximum Health Care contribution is 2,500.00.

_____ I understand that Dependent Care expenses include expenses incurred for child or adult
Initial dependent care that are necessary to allow an employee and/or the employee's spouse to work. I would like to set aside _____ per year for dependent care to be deducted in 10 equal amounts. No deductions will be taken during July and August.

_____ I would like to set aside _____ per year for Health Care expenses to be
Initial deducted in 10 equal amounts. No deductions will be taken during July and August.

9. Life Insurance - Part time Faculty NOT ELIGIBLE

You are entitled to a 50,000.00 Life and Accident & Death policy with premiums paid by LACCD. In addition, you are entitled to purchase additional insurance for yourself and any dependents that you have. Please review the life insurance forms and make the appropriate selections for your needs. Even if you choose not to purchase additional coverage, you must submit a beneficiary designation for the Basic Coverage that LACCD provides.

_____ Life Insurance forms and/or Beneficiary Designation attached.
Initial

- Beneficiary – The person(s) who inherits the claim should it be activated.
- Contingent beneficiary – The person(s) who inherits the claim as a secondary person if the beneficiary can not be located.
- If you choose life insurance for your spouse, you must purchase at least twice that amount for yourself.
- Life insurance is measured by units: 10,000.00 is 10 units, 5,000.00 is 5 units, etc. If you purchase voluntary life insurance, you find the cost according to your age and multiply by the number of units that you want to purchase.
- Life insurance for your spouse/dom partner is based on your age, not your spouse/dom partner's age.
- As a new employee, you may select insurance up to 120,000.00 for yourself and 50,000.00 for your spouse without submitting a Statement of Health (SOH). If you choose insurance *above* 120,000.00 (or 50,000.00 spouse/dom partner), you must submit a SOH. After status of new employee (60 days or more), you may only increase/decrease during open enrollment. At which time, you must submit a statement of health.

_____ I decline life insurance. I understand that I am not responsible for the premium for LACCD's
Initial Basic Life insurance policy, and am choosing to decline this benefit with full understanding of this fact.

I am enrolling for myself and those eligible dependents that I have listed in Part 6 of this form for coverage under the plan(s) I have selected.

Initial I understand that I am responsible for reporting any change(s) in the eligibility status of my dependents within 60 days. Initial I understand that if I enroll in PERSCare, I will pay part of the premium. The difference between PERSCare and PERS Choice will be deducted from my paycheck
