"Our commute used to be so long and tedious. Now we cruise in the carpool lane together-cracking jokes as we make our way"

"I would like to commute with someone who wants cleaner air, likes listening to books on tape and doesn't mind stopping for a cappuccino in the morning."

"I'm fed-up with gridlock and high gas prices. I wouldn't mind sharing a ride with someone who enjoys sports and is easygoing"

# Exclusive for our Commuters
