C. Adopt a Child (LAHC CARE Program)- Sen. Natalie Pack, Sen. Briana Bernasconi, and Sen. Meaghan Binns (\$1,000).

Sen. Binns-“We’re asking for \$1,000 to go for adopt-a-child. We wanna get 50 \$20 gift certificates to Target. We were informed yesterday that all of the children were adopted. But they said that they were accepting gift certificates for the mother’s of the children and they’ve had a lot of donations for that so I don’t know if we need to have it amended.”

Nina Malone-“It’s too late.”

Sen. Binns-“Well she said that they were getting a lot of donations still.”

Nina Malone-“But that’s not how you developed your bill. But like I told you don’t worry about it.”

Nina Malone moved to open discussion, Arthur Owens 2<sup>nd</sup>.

Arthur Owens-“Is there a reason you couldn’t do like a toy drive or something. It’s kind of hard just to give the money to the parents.”

Sen. Binns-“Our intention was originally to give to the children. We didn’t see that as an obstacle.”

Nina Malone moved to close discussion, Arthur Owens 2<sup>nd</sup>.

D. Refurbish ASO Kiosk-Sen. Jose Romero (up to \$250.00).

Sen. Romero-“Here’s an idea of what we want to do to those kiosks to attract attention to them so that students and staff can be aware of what’s going on campus. The whole purpose of it is to have a spot that is more noticeable because as you can see right now their just there. I’m proposing up to \$250. It can change. I think it might be less than that.”

Arthur Owens moved to open discussion, Steven Delgado 2<sup>nd</sup>.

Anacani Macias-“Are these going to be new ones or are they already there?”

Sen. Romero-“They’re already there. We’re just going to paint them and sand them. We just want to draw attention to them so people will be like hey you have a bulletin board now.”

Arthur Owens-“This is something that you want to do”

Sen. Romero-“Originally I had two other senators working with me on it, but I haven’t had much contact with them. From what I heard one of them is sick so I’m not sure, but at this point it’s just going to be me. If there are any other senators that want to help they are welcome to do that.”

Arthur Owens-“Have you talked to maintenance to make sure that you’re going over someone?”

Sen. Romero-“There was a meeting with work environment.”

Anacani Macias-“When is this taking place?”

Sen. Romero-“If possible I would like to work on it during the winter break so it will be prepared for the following semester.”

Nina Malone-“If we approve it this semester and it doesn’t get done until the beginning of next semester it’s fine. We can’t possibly do it before finals. The money will be allocated, it’s fine.”

Nina Malone moved to close discussion, Mercy Yanez 2<sup>nd</sup>.
